A.; thence north 85° west 50 chains 60° links to a stake near flews and branch 14 links east of a blackgum marked A. B; thence south 5° west 65 chains 60° links to a blackgum D. large; thence south 55° gast 95° chains 42 links to the beginning.

ALSO One other tract adjoining the above and bounced as follows, to with Beginning in a large redoak, be 3g. the southeast corner of a large redoak, be my the southeast corner of the McCulloch 3000 acre grant; runs thence north 5° east with the east boundary of said grant twenty (20) chains to the southwest cor-ner of a tract of land belonging to the heirs of Joel McLemore, running east or nearly so '0' chains 32 links to Loosa-Hatchie river; teence by their hests of friends upon their successful enterprise.

When she arrived at this port Sanday afternoon, the Mary Bell had seven hundred tons of miscellaneous freight, besides nearly one hundred head of stock, eighty-three cabin and sixty deck massengers. She took on at Hopefield three hundred and seventy-teven bales of cotton, and at this port she took on six hundred and sheep friendly so, with the north boundary line of a 500% acre tract entered in the name of A. Beyliss; thence west, or nearly so, with the north boundary in the north boundary line of a 500% acre tract entered in the name of McLemore & Carr; thence north the name of McLemore & Carr; thence north poundary line of the McCailoch grant; thence south so that the private of the McCailoch grant; thence south so that the private making one tract containing

this port she took on six hundred and fifteen bases of cotton, eighty-eight bales of hay, twenty casks of bacon and five tons of miscellaneous freight. She also increased her deck passenger lists to one hundred.

Captain Mill Harry has determined to put another toat in his White river Mail line, which will make that a tri-weekly instead of semi-weekly, as has been running the past month. Negotiations are now pending for a first-class steamer, such as is neeled to transact their rapid y accumulating business. If all the lines running in a memphis could boost of such an increasing trade as we are assured is crowding upon the Mill Harry White-river Mail line, then surely this season would prove a rich narvest for the marines. n said premises so sold.
This the 22d day of October, 1875.
AARON CLAFLIN, Assignee.

Being authorized by the owner, we will like wise sell the remaining third interest in the above described tracts of land, at the same
